SUBJECT: Chile--Demarche Delivered on NPT Review Conference

REF: STATE 119753

(SBU) Poloff delivered reftel demarche to Alvaro Guzman of the MFA's International and Human Security Office on November 25. Guzman listened intently and said he would share the talking points with the head of the office, Ambassador Alfredo Labbe, who was out of the country. Guzman was not aware of Chile's position on the issue. However, he noted that Ambassador Labbe is very engaged on the NPT and will likely spend the entire month of May attending the review conference. Labbe plans to run for election as a vice-president of the group, but Guzman wasn't sure which vice presidential position he is interested in.
